

# CLUB ETIQUETTE

1. Proper Conduct – Proper and respectful conduct is required at all times. This includes team members, members, guests, vendors and the property.
2. Hygiene – For health purposes and the consideration of others, general personal hygiene is expected. Please refrain from heavily scented perfumes, colognes, and lotions.
3. Proper Attire – Members are required to wear appropriate clothing while in the facility. The general guidelines are gym shorts, t-shirts, jogging, aerobic and sweat outfits and closed-toed shoes are allowed. Street clothes/shoes and denim are not permitted. Members cannot be shirtless on the gym floor or in studio fitness classes.
4. Proper Footwear – Appropriate footwear is expected. Working out in sandals, open toed shoes or barefoot is not permitted. Shoes/sandals are required when walking throughout the club.
5. Personal Property – We are not responsible for any lost or stolen items.
6. Prohibited belongings – Alcohol not provided by Altea Active, weapons, and drugs are not permitted.
7. Photography and Videography – For privacy reasons, all members must follow our photography and videography etiquette.
  - a. Photos and videos are strictly forbidden in the locker rooms.
  - b. Personal photography and videography are limited to photos and videos of yourself and not to include other members, guests, team members or third-party workers under any circumstances unless prior consent has been given.
  - c. You must be respectful and courteous of other members.
  - d. You must never block exits, hallways, main walkways or access to equipment.
  - e. Ring lights and tripods of any kind are not permitted.
  - f. You are not permitted to take photos or videos in Clubs to promote your or any third party's business, products or services.
  - g. We reserve the right to ask you to remove any online content that is not supported by Altea Active.
  - h. We reserve the right to withhold photo and/or video production and privileges.

\*There may be times where we host media events, photoshoots and video shoots. Invitations will be sent through official channels and will include information about content capture permissions and guidelines. These events are designed to
